

Central Okanagan Public Schools

Together We Learn

ADDITION TO CONSTABLE NEIL BRUCE MIDDLE Urgently needed • Awaiting Approval

Background

- Second priority in District Capital Plan's School Additions
- West Kelowna is a rapidly growing area: avg. 2% since 2006
- CNB Middle catchment is a high growth area for West Kelowna and Westbank First Nation
- CNB Middle School is over capacity - by 2023, utilization will be 130% with about 25% of students in portables
- CNB Middle already has five portables in use and expects to add five more by 2023, according to enrolment projections

Project Plan

Build an addition to the existing Constable Neil Bruce Middle.

\$13M

Opportunities

- ✓ The existing school site can accommodate an addition, with flat undeveloped areas and ability for the building to expand
- ✓ Expansion will provide needed classroom space, recapture core spaces currently converted to classrooms
- ✓ Expansion will return the core learning spaces that have been converted to classrooms to school use
- ✓ Helps provide enough middle school capacity in West Kelowna for at least ten years
- ✓ Keeps students in their home area and maintains appropriate grade configuration (Grade 6-8)
- ✓ Reduce the number of students in portables in the area
