# HOST A SHOE DRIVE

**WE BELIEVE THAT NO CANADIAN  
SHOULD WANT FOR A DECENT  
PAIR OF SHOES**

By hosting a shoe drive you will help give thousands of individuals a chance to smile, lead healthier lives and possibly even break the cycle of poverty.

## YOUR ROLE AS A DRIVE HOST

Hosting a shoe drive is an easy way to show your community support and an affordable way to market your organization or cause.

### **PROMOTE**

Share your involvement via social media, word of mouth and by placing the shoe box in a prominent location at your school.

### **COLLECT**

Receive shoes at your designated collection point throughout your shoe drive event using custom-decorated collection boxes or our own shoe bins.

### **DELIVER**

When your shoe drive is complete, box up the shoes and deliver or ship them to the nearest warehouse.

## OUR WORK

Our feet on the street have been hard at work collecting and distributing shoes since 2010.

- ✓ **Over 40,000 pairs of shoes** have been distributed to individuals across Canada to date.
- ✓ **500 Locations throughout BC, Alberta and Ottawa** host shoe collection bins for easy community donations.
- ✓ **100+ Agencies across Canada** have partnered with us to distribute shoes to those in need.

## HOW WE FUND OPERATIONS

Shoe Bank Canada funds its operations through financial donations and by selling our excess shoes collected to a recycling broker. We rely on local logistics and warehouse sponsors to provide much-needed warehousing and transport to collect and distribute shoes across Canada.

## WHAT HAPPENS TO THE SHOES?

Shoes are collected via shoe drives, bin hosts and shoe brands and then delivered to one of our warehouse locations in Canada. Teams of dedicated volunteers, such as Rotary & Kiwanis Clubs, help to sort the shoes at which point they are given to someone in need with the help of a referring agency.
