# École Glenrosa Middle School

School Community Learning Plan 2021-2022  
Central Okanagan Public Schools

## Our Learning Story

École Glenrosa Middle School is in the second year of a five-year learning plan. In the first year of our plan, 2020-2021, we engaged students, staff and families in an inquiry process to learn more about supporting the social-emotional well-being of our learners, build collective efficacy specific to growing a culture of care, and articulate a priority statement:

**We strive to be a learning community where all learners are connected, feel belonging, and contribute to school and community. We are stronger together.**

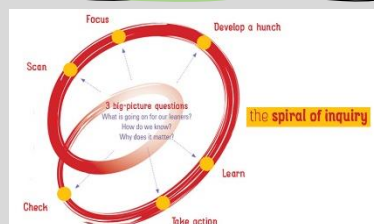

Within this intention are learning priorities that have been informed by B.C. curricular core competencies, Central Okanagan Public School's strategic plan, and First Peoples Principles of Learning:

Indigenous Learning

Social Emotional Learning

Foundational Skills

**2019-20 AMLE - This We Believe: educating young adolescents**

What is going on for our learners?  
How do we know?  
Why does it matter?  
What can we do to make a difference?

**STRONGER TOGETHER – PUISSANT ENSEMBLE**
