

Dear Parents/Guardians,

A reminder that we are introducing a new and innovative **Student Absence Reporting System** at our school through the **SchoolMessenger App**. Be sure to visit [go.schoolmessenger.ca](http://go.schoolmessenger.ca) today to sign up and get started (or download the app and sign up).

While you are able to enter absences in the SchoolMessenger system right away for your child, be sure to note that as of **October 22, 2018 we will officially be using SchoolMessenger as our sole absence reporting system.**

***Note: you can also visit [www.sd23.bc.ca/SchoolMessenger](http://www.sd23.bc.ca/SchoolMessenger) for information on how to sign up and start using the attendance feature in SchoolMessenger.***

Sincerely,

Central Okanagan Public Schools
