Old Business

- Spring BBQ – for a PAC fundraiser and using M&Ms again
Suggestion to sell more concession items and candy options as that's where most of the profit came from last time.
- Possible timing: if there's a band event in the evening, run an open house night later in May beginning of June for families to come tour
- Andrea S to reach out to M&Ms and see their availability

New Business

- *French Immersion Event on May 8th for 127 students from 6 classes:*
A district-wide French immersion music competition taking place at Evangel Church in Kelowna. Last year it was the absolute highlight of the year for students. This year Missy D will be performing as well.

Asking for \$381 to help fund the guest performer and a treat for the students

- Motion put forth by Denay to approve \$381
 - Second - Jen
 - All in favour (no denies)

Motion PASSED

- *Volunteering request for the FI event:*
To assist with serving lunch for our GMS students. Looking for 5-6 and we currently have 4 people. Timing is approximately 10:30-1:30
- *Update about the flower and plant upgrades at school:*
During covid the planters took a hit. Students along with Ms Phillips have been working together to empty the planters of soil. Next week they will add new fresh soil, which has been donated the school. Our local public library is closing soon and moving to the new city hall location – they will be donating all of their plants to GMS as well.
